## **1 Introduction**

- 1.1** This policy and procedure/guidance sets out Children's Hearings Scotland's (CHS) approach to flexible working arrangements and the procedure/guidance details the application process.

## **2 Scope**

- 2.1** This policy applies to all CHS employees.

## **3 Aims**

- 3.1** To ensure compliance with the legislative requirements.
- 3.2** To enable employees with caring responsibilities to balance them with their role at CHS.
- 3.3** To accommodate where possible the desire of employees to balance their role at CHS with other commitments or interests.
- 3.4** To facilitate flexible retirement, if appropriate.

## **4 General Principles**

- 4.1** At CHS, we recognise that a good work-life balance supported by flexible working arrangements can, provide benefits to both our people and our wider organisation
- 4.2** The policy does not provide an automatic right to work flexibly however CHS is committed to agreeing to any flexible working arrangements, if there is no detrimental impact on organisational operations. In cases where such impact may occur, we will aim to reach a compromise that suits both the employee and the organisation.
- 4.3** Any employee that thinks they may benefit from flexible working is encouraged to contact their line manager or member of the People and Culture Team to arrange an informal discussion to talk about the options and identify which working pattern would be most suitable for them.
- 4.4** The standard full time working week is 35 hours and the working day for full-

time staff is 7 hours. In accordance with the EU Working Time Regulations, staff should not work more than 48 hours per seven-day period, calculated over an average period of 17 weeks.

- 4.5 The policy covers the following flexible working options: Part-time working /Change of hours; Job share and job splitting; Term-time only working; Voluntary reduced working time for a specific period; Unpaid Leave; Career Breaks; Staggered Hours and Flexible retirement. This list is not exhaustive, and we recognise that there may be alternatives to these options and that a combination of options may be the best workable solution for some people.
- 4.6 Besides the ability to apply for flexible working, CHS also operates a flexi time scheme and further details on this scheme can be found in the [Flexi and Overtime Policies](#).
- 4.7 Any flexible working requests will be considered with due regard to our commitment to promoting equality, diversity and inclusion among employees.

## 5 Application Process

- 5.1 Any CHS employee can apply for flexible working as a day 1 right of employment and can make 2 statutory requests within a 12-month period.
- 5.2 The CHS flexible working application form is [available for all staff](#), and is also below in Appendix 1. In line with statutory requirements, the application must:
  - (a) be in writing.
  - (b) state the date of their application, the change to working conditions they are seeking and when they would like the change to come into effect.
  - (c) state what effect, if any, they think the requested change would have on CHS as the employer and how, in your opinion, any such effect might be dealt with.
  - (d) include a statement that this is a statutory request and if and when they have made a previous application for flexible working.
  - (e) note if they would like the arrangement to be temporary.
- 5.3 The employee should submit the application to their line manager and CC in [HR@chs.gov.scot](mailto:HR@chs.gov.scot).
- 5.4 The final decision will be made by the applicant's line manager within 2 months

of receiving the application. The applicant will be notified of the outcome in writing by HROD team.

- 5.5** A line manager may consider an application to have been withdrawn if the employee(s) without good cause:
- (a)** fails to provide them with information that has been appropriately requested.
  - (b)** fails to attend two meetings that have been appropriately arranged to discuss the request.

In these circumstances the line manager should write to the employee(s) confirming that the application has been withdrawn.

- 5.6** If the application is approved, the contractual change will come to an effect no later than 28 days from the original decision.
- 5.7** If there is a trial period for the new working pattern, this will be clearly stated in the outcome notification.
- 5.8** Each request will be dealt with individually, considering the likely effects on CHS, the relevant team and the employee's colleagues. Agreeing to one employee's request will not therefore set a precedent for another employee to be granted a similar change to their working pattern.
- 5.9** If a flexible working request is declined, the reason must be one or more of the following:
- extra costs caused will damage the business.
  - the work cannot be reorganised among other existing employees.
  - people cannot be recruited to do the work.
  - flexible working will affect quality and/or performance.
  - the business will not be able to meet customer demand.
  - there's a lack of work to do during the proposed working times.
  - the business is planning changes to the workforce.

## **6 Appeal**

- 6.1** An appeal of the final decision can be made in writing within 14 days from the date of notification of the outcome. An appeal should be sent to [the HR/OD team](#).

- 6.2** The timescales in the appeal procedure may be extended by written agreement, for example where annual leave occurs, or where the person chosen to accompany the employee(s) is not available, or to enable CHS to investigate further before notifying the employee of the final decision. However, a decision will not be unduly delayed.
- 6.3** An appeal meeting will be organised with the line manager of the manager who made the original decision within a further 14 days. An alternative manager may be used if, for example, there is a conflict of interest, or they are not available.
- 6.4** Employees are entitled to be accompanied at the appeal meeting by a CHS colleague or a trade union representative.
- 6.5** The appeal decision is final. A further flexible working request may not be made within 12 months of the date of the appeal, or, where no appeal was submitted, of the date of the decision letter.

## **7 Policy Approval**

- 7.1** This policy is not contractual and is not intended to be incorporated into individual terms and conditions of employment. It may be subject to review, amendment or withdrawal.
- 7.2** For any changes to the policy, the CHS Team Forum will be consulted.
